# GLOBAL ENGINEERING & CONSTRUCTION PTY LTD

**Global**  
ENGINEERING & CONSTRUCTION

## INDUSTRIES SERVED

CONSTRUCTION &  
ENGINEERING

MANUFACTURING

OIL, GAS & ENERGY

STEEL

WATER

## Company Details

**Address:** 10A/Level 10, 193 North Quay  
Brisbane City QLD, 4000 Australia

---

**Ph:** +61 7 4162 1692

---

**Email:** darcy.nielsen@globalec.com.au

---

**Web:** www.globalec.com.au

---

**ICN Gateway Company ID:** 116225

---

**Employees:** 350

---

**ABN:** 34 152 081 457

---

**Locations:** 2

---

**Local Manufacturer:** Yes

---

**Importer:** No

---

**Exporter:** No

---

**NT CAL Accredited:** No

---

**Works in Remote Locations:** Yes

---

Global Engineering & Construction Pty Ltd (GEC) is a leading provider of integrated pipeline, civil, structural and mechanical construction solutions to clients across the energy and oil & gas sectors. We are committed to achieving incident-free operations through the provision of effective quality, health, safety and environmental management systems. GEC offers a low risk, competitively priced alternative which is capable of managing its operation through all phases of project delivery.

---

## Summary

Global Engineering & Construction Pty Ltd (GEC) is a leading provider of integrated construction solutions to clients across the energy and oil & gas sectors and is proud to be 100% Australian owned.

With an experienced management team and dedicated work force that are well respected within the industry, we are able to provide clients with unsurpassed excellence in the provision of successful projects, delivered throughout Australia within budget and time-frame.

---

## Description

Global Engineering & Construction Pty Ltd (GEC) is a leading provider of integrated pipeline, civil, structural and mechanical construction solutions to clients across the energy and oil & gas sectors. We are committed to achieving incident-

free operations through the provision of effective quality, health, safety and environmental management systems. GEC offers a low risk, competitively priced alternative which is capable of managing its operation through all phases of project delivery.

## Associations

- > APGA
- > APPEA
- > Chemalert - Hazardous Substance & Chemical Management Subscription
- > Intellifleet In Vehicle Management Software (IVMS)
- > Lawlex - SAI Global Legislative Monitoring & Compliance Subscription
- > Ostendo Construction Management / Fabrication Software
- > Safer Together
- > Skytrust QHSE Management Software
- > Welding Technology Institute Of Australia Member - 10895
- > Wellsite Permit to Work Member

## Major Clients

- > Beach Energy
- > Bridgeport Energy
- > FYFE Earth Partners
- > GPA Engineering
- > Santos

## Industries Served

- > Construction & Engineering
- > Manufacturing
- > Oil, Gas & Energy
- > Steel
- > Water

---

## Products & Services

- > Onsite Mechanical Construction & Maintenance Services
- > Steel pipeline construction
- > SCP pipeline construction
- > HDPE pipeline construction
- > Fabrication & Engineering Services
- > Pipeline Systems Construction & Maintenance
- > Various Coded Welding Applications
- > Fabrication of Pressure Vessels & Piping
- > Fabrication of Pipe Supports, Platforms and Rails
- > Structural Steel Capabilities
- > Process Modules and Packages
- > Utilities Modules and Packages
- > Surface Treatment, Sand Blasting, Painting & Coating
- > Scaffolding and Rigging Services
- > Maintenance & Modification of Pumps and Rotating Equipment
- > Heavy Equipment Maintenance and Repairs
- > Rental of Cranes and Special Vehicles

## Facilities and Equipment

- > 12-25T GVM Crane Trucks
- > Above ground storage and holding tanks of various sizes and applications 1MEG - 9MEG Capacity
- > Butt Fusion Welding Machines
- > Civil Earthmoving Equipment
- > Fleet of dry-hire rental equipment which consist of various sludge, trash, fluid pumps/hoses/standpipes, compressors
- > Fleet of Isuzu single cab NPS300 welders/fitters trucks
- > Fleet of Single & Rd Train Prime Movers
- > Fleet of Single & Rd Train Water Tank Prime Movers
- > Fleet of Toyota Land cruiser trade rigs
- > Franna Cranes: 18T - 25T SWL
- > Miller RMD Welding Machines
- > Mobile Engine driven welding machines
- > Mobile Hydro testing Facilities / Equipment
- > Mobile Welding Habitats
- > Pipe Rotators
- > Sand blasting units & coating facilities
- > Skid mounted transportable office facilities
- > Skid mounted transportable workshop facilities

## Previous Significant Projects

2018

**Cooper Basin Flowlines and Connections  
(Ongoing)  
\$150,000,000**

**Client: Santos**

Installed over 400km of pipeline and associated infrastructure in the Cooper Basin through innovative methods which reduced client costs. Scope of work included / delivered under this contract include:

- Pipeline Construction (various sizes and piping materials)
- Gas lease mechanical construction
- Production and shipping facilities
- Oil lease mechanical construction
- Multiple work fronts
- Pre- commissioning & post commissioning support
- Electrical
- Instrumentation
- Civil
- Engineering

2012

**(Ongoing) - Beach Energy Cooper Basin  
Infrastructure Development  
\$80,000,000**

**Client: Beach Energy**

Global Engineering & Construction has self-executed 100% of the civil works associated with over 700km of flowlines and accompanying surface facilities since GEC was established in 2012.

activities include:

- General Civil works
- Lease & road maintenance
- Live line digs
- Foreign crossings
- Road crossings
- Facility pad preparation
- Gas/oil lease mechanical construction
- Production and shipping facilities
- Electrical/Instrumentation
- Commissioning
